---

## SUMMARY

Full-stack Web Developer and graduate of the Penn LPS Coding Bootcamp through the University of Pennsylvania. Proficient in JavaScript, Node.js, React.js, Express.js, and more. Experience working with a team and recognized as hardworking, attentive, and an effective collaborator.

## TECHNICAL SKILLS

**Languages:** JavaScript, CSS3, HTML5, MySQL, MongoDB

**Applications:** Git, GitHub, Heroku

**Tools:** ReactJS, NodeJS, ExpressJS, GraphQL, RESTful APIs, Mongoose, Sequelize, Jest, jQuery, Bootstrap

## PROJECTS

### Hangman

**GitHub Repo:** <https://github.com/MarkCirineo/hangman>

**Visit the Website:** <https://the-hangman-app.herokuapp.com/>

- **Summary:** This is a full-stack application designed to give a fun experience playing Hangman. Users can simply go to the game page to play. Users can also create an account and save their scores (wins/losses).
- **Role:** Sole Author
- **Tools:** MERN (MongoDB, ExpressJS, ReactJS, NodeJS), Mongoose, GraphQL

### Binge Worthy

**GitHub Repo:** <https://github.com/MarkCirineo/bingeworthy>

**Visit the Website:** <https://calm-taiga-38622.herokuapp.com/>

- **Summary:** This is a full-stack application designed for movie lovers who want a centralized location for all the movies they want to watch. Users can search for any title, view more information about the movie, and add it to their account for future reference.
- **Role:** Worked on the back-end creating the schema for the GraphQL API and assisted with the front-end to integrate the mutations and queries of the GraphQL API.
- **Tools:** MERN (MongoDB, ExpressJS, ReactJS, NodeJS), Mongoose, GraphQL

### Tech Blog

**GitHub Repo:** <https://github.com/MarkCirineo/tech-blog>

**Visit the Website:** <https://rocky-inlet-23725.herokuapp.com/>

- **Summary:** A full-stack tech blog site that allows users to create, update and delete their own blog posts via authentication. As well as view posts from other users.

- **Role:** Sole author
- **Tools:** JavaScript, ExpressJS, NodeJS, MySQL, Sequelize, Handlebars.js

## **EXPERIENCE**

**A.L. Cirineo Co., Inc., Glenolden, PA**

**2018-2019**

### **Part-time Office Staff**

Assisted in a busy Site Contracting business office providing support where needed.

- Successfully reduced the backlog of filing by 100% through reorganizing the accounting department's filing system.
- Effectively performed administrative tasks, including copying, answering phones, preparing outgoing mail and maintaining the filing system.

## **EDUCATION**

**Certificate, Full Stack Web Development** – University of Pennsylvania

**2021**

A 12-week intensive program focused on gaining technical programming skills in HTML5, CSS3, JavaScript, jQuery, Bootstrap, NodeJS, MySQL, MongoDB, ExpressJS, ReactJS
